Like BenQ India on

4-sided Ultrathin Bezel Design

It's more than just stylish furniture: Clean lines and a seamless viewing experience enhance focus and eliminate distractions, combining style with functionality.

Smooth User Experience

Enjoy a smoother, more responsive experience with a 100Hz refresh rate—perfect for reading, streaming, and gaming with added comfort and clarity.

Color Modes for Multi-Usage

ePaper Mode, the simulated e-book display, balances the text and background to make long reading sessions easier on the eyes.

TÜV Rheinland Certified

Global safety authority, TÜV Rheinland, certified the GW2491's Flicker-Free and Low Blue Light Technology as truly friendly to the human eye. Eyesafe 2.0 certification ensures that the display reduces blue light while maintaining vivid colors.

Eye-CareU

Leave it to the compatible software of Eye-CareU on the GW2491 to set timers, light reminders, and distance reminders to correct your posture as you focus on what you do best. The pop-up works as an assistant, allowing for quick navigation and settings via its quick on-screen control.
