

## Instruction

### Read me before downloading the firmware

*Apply BenQ Model: SH5504, SH6504, SH7504*

There are 2 types of firmware available for download. Kindly select the one that is suitable for you.

|          |                                                           |
|----------|-----------------------------------------------------------|
| OTA_FW   | Upgrade the system firmware and keep all the user setting |
| Image_FW | Upgrade the system firmware and reset everything          |

You can find the firmware upgrade SOP from the zip file that you downloaded.
